

Autenticação

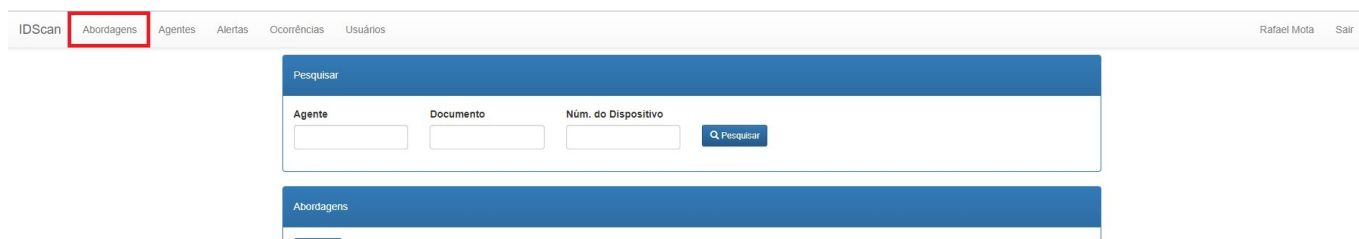

Para acessar a interface web, é necessário acessar a url <http://idscan.iws.com.br> e informar o email e senha de acesso.

The image shows the IDScan login interface. It features the title 'IDScan' at the top. Below it are two input fields: 'Email' and 'Senha'. At the bottom is a blue button with a white checkmark icon and the text 'Acessar'.

Abordagens

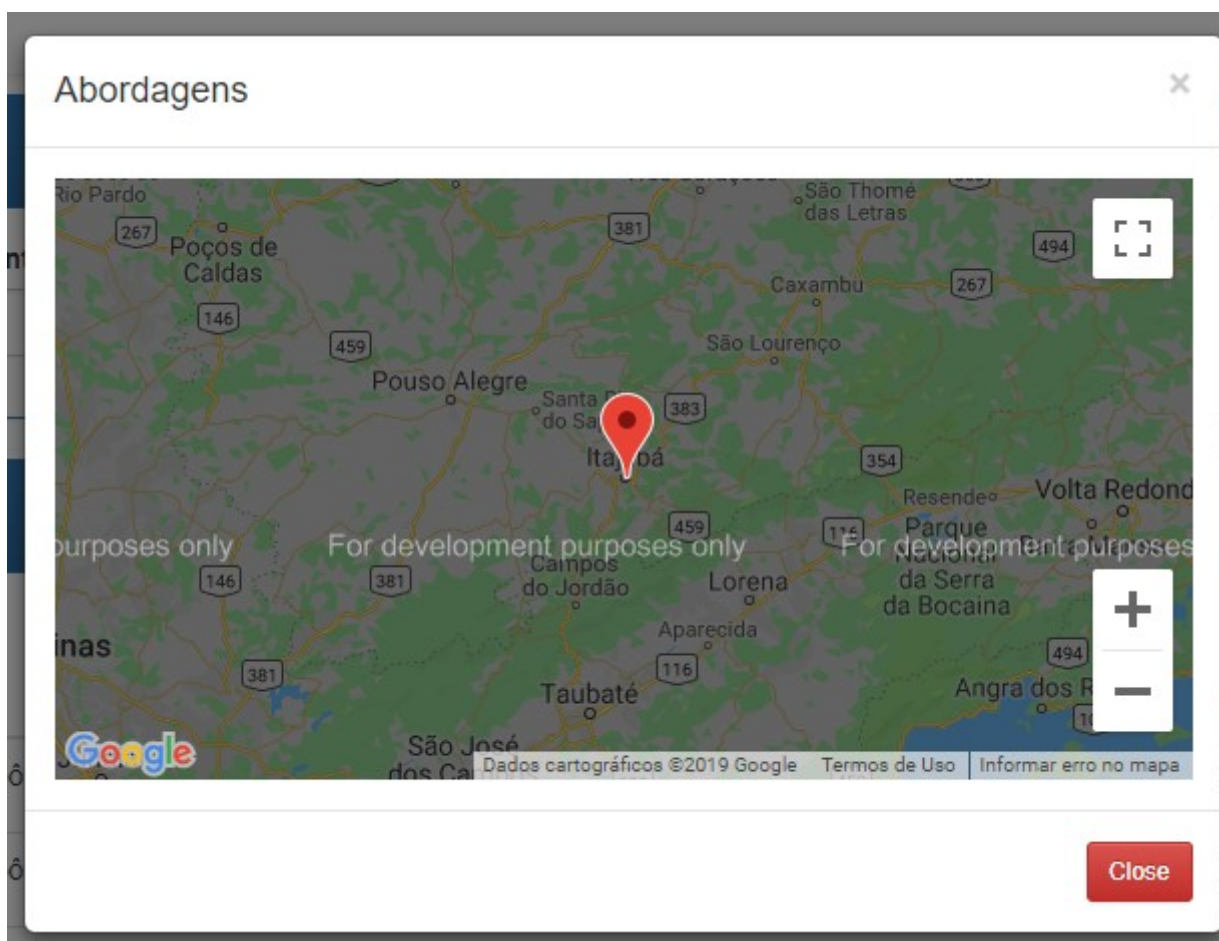

Esta tela lista todas as abordagens que foram registradas pelo dispositivo móvel. Para acessá-la, acione o menu Abordagens no canto superior.

The image shows the IDScan dashboard. The top navigation bar includes 'IDScan', 'Abordagens' (highlighted with a red box), 'Agentes', 'Alertas', 'Ocorrências', and 'Usuários'. On the right, it shows 'Rafael Mota' and 'Sair'. Below the navigation bar is a search section titled 'Pesquisar' with three input fields: 'Agente', 'Documento', and 'Núm. do Dispositivo', followed by a 'Pesquisar' button. Below the search section is a section titled 'Abordagens'.

Clique no botão de mapa para visualizar o local da abordagem.

Mensagens do sensor

Clique sobre a imagem do usuário para cadastrar uma foto de perfil.

The image shows a mobile application interface. At the top is a dark green status bar with icons for signal, Wi-Fi, battery, and the time 17:06. Below this is a white square containing a black silhouette of a person, which is highlighted by a red rectangular border. Underneath the square is the label 'Documento'. A horizontal pink line separates this section from the next. Below the line are two input fields: the first is labeled 'Nome' and the second is labeled 'Sobrenome'. A blue button with the text 'Iniciar leitura' is positioned below the input fields. Under the button is the label 'Impressão Digital'. Below this label are three black fingerprint icons. At the bottom of the interface is a white bar containing a grey progress indicator on the left and the text 'Mensagens do sensor' on the right.

Clique no botão **Iniciar leitura** para cadastrar a digital.

The image shows a mobile application interface for document authentication. At the top, there is a dark green status bar with a camera icon, signal strength, battery level, and the time 17:06. Below the status bar is a black semi-circular notch. The main content area is light gray and contains several input fields and buttons. The first input field is labeled 'Documento' and has a pink underline. Below it is another input field labeled 'Nome' with a gray underline. Below that is a third input field labeled 'Sobrenome' with a gray underline. A blue button labeled 'Iniciar leitura' is positioned below the 'Sobrenome' field. Below the button is the label 'Impressão Digital'. Underneath this label are three fingerprint icons. Below the first fingerprint icon is a gray underline. To the right of the underlines is a white box labeled 'Mensagens do sensor'. At the bottom is a large blue button labeled 'Adicionar'.
